## "The Pastor's Page"

June 25, 2014

The week after Easter I received a troubling letter from a visitor who had attended an Easter service here. She was expecting to find a congregation filled with joy on Easter Sunday, but instead, people seemed pretty joyless to her. She entered the sanctuary a few minutes late and felt greeted by "condemning looks." She said that no one spoke to her except during the greeting time. And then, when she was leaving, she heard two members complaining that they had trouble parking that morning because someone had taken "their" spot. It turns out that our visitor had parked there!

I don't think this kind of experience is a common one for our visitors. I think that we generally do a pretty good job of welcoming new folks. But it's a good reminder that people are observing our words and actions each week here at church. Since summer is a time when many people "check out" churches, I encourage you to do all you can to reach out to our guests and be aware of how your comments might sound to someone who is new!

Due to a fall, Jo Rice has moved to a rehab facility in Annapolis for follow-up physical therapy. Her days are long and tedious and the therapy is hard work for her. She would enjoy hearing from her church family. She sees Julie (her daughter) usually twice a day, but Julie will leave for a conference next week. Cards and prayers would be most welcome.

## Member Visitation

During the summer, Phyllis Dowd will be helping with member visitation while Harry Winsheimer is away. Thanks, Phyllis!

We would like to thank our church family & ministers for all the cards, visits and prayers that helped us through Michael's illness and passing.

Also, thank you to Barb Fair and the Memorial Committee for the wonderful luncheon.

It means a lot to be part of such a caring church.

It always amazes me when the Rummage Sale comes around. There is always lots of "stuff" to sell. The big question is, will we make our goal? We usually do.

This year is no exception - The Bake Sale took in \$269.60, the Rummage Sale took in \$2,389.82 for a total of \$2,659.42.

To say "thank you" doesn't seem enough, but it comes from our hearts. I am grateful to everyone who helped make it a success from set-up to take-down.

God bless you all for all you do.

In God's Love

## GREETINGS

You are a very warm and welcoming congregation. The welcome I have received has been beyond my wildest dreams. I have felt blessed to be called as your new Director of Christian Education. As someone new to this congregation family, it is my desire that you will feel free to stop by the office, email or call me and let me know what your story is, what your dreams are, and any educational desires you have that will help me get to know you better and meet some of your dreams and desires. I understand how difficult it is for people to see change in their Church Staff; however, I want you to know that I understand and hope that as you get to know me you will feel that we can be friends.

I am excited about being here at GPC and hope we can have many years of working together to spread the Good News of Jesus Christ. In my past I have served churches from 150 to 2100 members in six states and each was very special in their own way. I am looking forward to learning about all the programs that are offered at GPC, to be involved in them, and to see what new challenges and opportunities God has in store for us. God is ready to amaze us.

This is an exciting time for all of us and I hope that you will join me in throwing open the doors, letting fresh air in, and seeing what God has to show us.

*Cheryl*

- Thanks for CE Leadership!
- We are grateful to several people who stepped up and provided leadership to our Christian Education Program during the transition to our new DCE, Cheryl Betts. Amy Deitch did an outstanding job as our interim DCE, overseeing the entire program during April and May. Libby Crowe and Carole Simon planned and oversaw the VBS program with excellence! Thank you so much for your leadership and assistance during this important transition time!

### Why Should I Volunteer in Sunday School and Youth Club?

First of all, children are important to God. The Bible tells us that children are a blessing, and while Jesus was on earth, he made a point to welcome children and to affirm their value. If God's priorities matter to you, then you should care about Children's Ministry! Volunteering also multiplies your efforts long term. There are few ministry opportunities that allow you to impact the future in such a direct way. When you love and teach children on Sunday or Wednesday, you are also influencing generations to come. These children will one day become parents and church leaders themselves. If you want to change the world long-term, consider serving in Sunday School or Youth Club! You may never sing a solo or preach a sermon in church, but *God wants you to find a place of ministry.*

"Article excerpt from ***Children's Ministry Encouragement & Vision***, by Tony Kummer, 31 July 2008".

### **ATTENTION PARENTS:**

We are working on improving the Children's library. If your child has borrowed a book and is finished reading it, please return the book to the Sunday School stage area or to Cheryl's office by the end of July. Your help is greatly appreciated.

## VOLUNTEERS NEEDED

for upcoming GPC Open House

on July 3, 4, and 5.

We will have self-guided tours

from 1-2 pm and 4-5 pm.

We need 1-2 volunteers per time slot and bakers to provide brownies and/or cookies.

All you need to do is contact Cathy Gardner,

[lvgardner@comcast.net](mailto:lvgardner@comcast.net), or 337-3233 if interested.

We answer questions, provide water and treats.

It is great fun and a good way to show off GPC!

### **Children's Church Help Needed**

We are looking for people who love spending a few minutes with our children. We need volunteers to lead Children's Church during July and August. The lessons are easy to follow and children love to hear the stories. If you could give our children a few minutes of your time on the following Sundays we would greatly appreciate it.

July 13, 20 and 27 at 10:30

August 3, 10, 17, 24, and 31 at 10:30

Please be in prayer to consider this and contact Cheryl Betts at [gpcdce@embarqmail.com](mailto:gpcdce@embarqmail.com) or in the church office if you can help.

## Who Are Our Professional Educators?

We are planning a blessing of our professional educators on Sunday, August 24<sup>th</sup> in all services. If you teach at a seminary, university, high, middle, elementary or preschool, please contact Cheryl at [gpcdce@embarqmail.com](mailto:gpcdce@embarqmail.com) or call the office and tell us where you teach.

We want you to know that your church family is praying for you as you begin the new school year. We know the pressure that our culture puts on educators to rectify all kinds of family and social problems this has made your profession both vastly more crucial and infinitely more difficult. We want to give each of you a blessing on that morning in worship.

## Paul's Amazing Life Studied at VBS 2014!

"49 A.D. - The Adventures of Paul" was our theme as 106 children and 80 teens and adults gathered for Vacation Bible School. Through singing, drama, games, scripture memorization, snacks, storytelling, and, of course, many wonderful crafts in the "Roman Marketplace," we all experienced stories of the Apostle Paul and his amazing transformation from Saul, self-proclaimed "Hebrew of Hebrews" and chief persecutor of all who believed in Jesus as Messiah, to Paul, one of the leading evangelists of his day and writer of much of the New Testament. We also had a special visit from "Paul" by Greg Trax, who led challenge games as he spoke in the first person as Paul about the many challenges he had faced. On Thursday afternoon, 20 kids in grades 3-5, 5 teen aides, and 4 adults took a trip to Granite Hill Campground for a (mostly) soggy afternoon of mini-golf and paddle-boating. The VBS kids also brought in a total of 56 jar candles to take to the South Dakota Lakota Reservation.

Thank you so much to the following leaders who planned and led our program (several of them doing double-duty!):

### Attention all GPC knitters and crochet-ers:

#### Is there interest in a Prayer Shawl/Comfort Shawl Ministry?

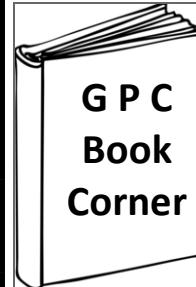

It is not necessary to meet together regularly unless we want to. Working independently at home is certainly an option and will enable more of us to participate.

Please contact Sheryl Suplee ([svon347@aol.com](mailto:svon347@aol.com); 337-3267) or Beth Fitzpatrick ([bethieandbill@comcast.net](mailto:bethieandbill@comcast.net); 334-4960) to sign up and to share your thoughts as we attempt to organize this ministry of caring support and comfort.

### NEED A RIDE?

If you are having trouble attending church services and/or church functions due to not having transportation, let the Deacons help you. We are only a phone call away. The transportation Deacon for July is Marion Lambert 642-5227.

Hi Friends,

I am back from a week in Cape May and feel rested, relaxed and ready to get back in the swing of things here in Gettysburg. The weather wasn't ideal (a little rainy) but I managed to get 3-4 "beach days" in, biked around the island and walked a lot. As with any vacation, the anticipation is what makes it so wonderful, but by the last day I am normally ready for a return to the old routine!

I did read some books on the beach, kind of caught up on the easy summer reads. In this week's column I want to talk about a few things going on at the Library and thank some folks for their donations.

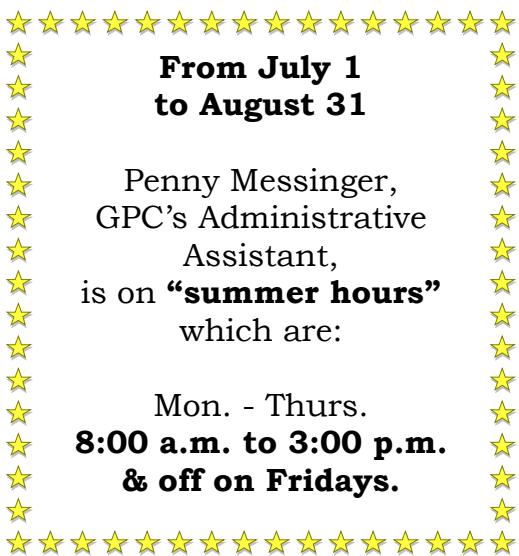

Before I get to that, I am placing in the Crane Library a unique find from the antique sale about a month ago. Once again, I have to give all the credit to my book-loving husband, Jim. He found a truly wonderful old music book. As I was thumbing through it I began to realize it was a book of Christian songs. The title is Winnowed Anthems for Quartette and Chorus Choirs, edited by M.L. McPhail. It is a fantastic book with some really interesting old songs. I played the piano in another life and this is just the kind of book I would have loved to sit down with at the piano and attempt to bang out a song. It was published by Hope Publishing Company in Chicago in 1899. It is a treasure. So if you like music or can play, drop by the library and take a look at it and try a few songs. It has some great handwriting on the opening pages. It is amazing how we don't handwrite notes, letters, etc anymore, as it is surely a lost art.

I want to thank some of you for your thoughtful and generous donations. Some I can thank by name and others are anonymous, but you know who you are. Ray and Lorraine Manning, Sheryl Suplee, Donna Heebner, Nancy Cook, and Phyllis Dowd, just to name a few. If I have not named you, again please accept my apologies, but know that every donation is wanted and needed. When I donate a book, I feel that I am giving a part of me for someone else to enjoy and treasure.

The reorganizing of the library is going well. I fell behind due to my vacation and Vacation Bible School but I will be back at it next week. Remember that the books we are donating are on a table in Fellowship Hall for one week, marked Free Books. Please stop by the table and browse. You never know what you will find!

Next time back with a book review. Enjoy your summer and Read A Book!

Cathy

## Session Update

At its stated meeting on June 8, the Session....

- Took action on the pledging error for the 2014 budget (see article below)
- Visited with Rev. Candace Veon-Nyiri, Regional Associate from our Presbytery, who encouraged us to think outside the box in accomplishing God's work here.
- Received, with regret, the resignation of our Organist and Director of Music, Becky Wareham, who has served in those roles for over 25 years.

## From the Session: 2014 Budget Pledging Glitch

When our members received their first quarter giving statements, we discovered a number of errors in the amount of money pledged for the Annual Stewardship Campaign (not the Capital Campaign). This is not unusual, but this time the amount was significant—\$86,000 less than we anticipated in pledged giving.

The good news is that giving is tracking pretty well so far, in spite of the lower amount pledged. The Session has taken action to respond to this potential shortfall, primarily by drawing on mission reserve money rather than budgeted money for our mission trips. We would also like to ask each of our members to consider giving a little more this year to help offset this possible deficit so that we can replenish the mission funds by the end of the year.

Thank you!  
The Session

## \* \* \* \* \* Muscles Needed for South Dakota!

As our mission trip to the Lakota Indian Reservation draws near, we need help on two different dates:

**Wednesday, July 9** - We will meet at the church at **9:00 am** to go to Allen and Marie Duncan's home where donated furniture has been stored to take to S. Dakota. We need help loading the furniture onto a truck and bringing it back to the church where we will unload it into Fellowship Hall.

**Wednesday, July 16** - Beginning at **10:00 am**, we will be loading everything for our S. Dakota trip into the tractor trailer parked at the church. This is a huge undertaking and we will need all the help we can get!

If you are willing to lend your time, energy, and muscles to help on either (or both) of these days, please call Penny in the church office at 334-1235. Thanks for being part of this mission!!

## Church Parking Lot C L O S E D on July 16

Wednesday, July 16 we will be packing a truck with all of the clothing, toys, linens, etc. that you have donated to the Lakota Reservation in South Dakota. In order to accommodate the tractor-trailer that day, the church parking lot will be closed to all vehicles (except the staff). Thank you for understanding, and thank you for giving so generously to this mission project.

## MISSION NEWS IN FOCUS

GPC member Bob Smith recently returned from a meaningful and successful mission trip to New Orleans and shares his experience below. Please read his account below:

*I spent the last week in February with friends from Michigan, Wisconsin and New Jersey aiding in the revitalization of New Orleans, Louisiana (NOLA) which is still recovering from the destructive forces of Hurricane Katrina which hit in August 2005. While it was the fourth mission trip to NOLA for me, the group is made up of folks who were making their first trip to others who were making their seventh trip. We work through St. Bernard's Project, an award-winning non-profit that has successfully transferred its rebuilding model to tornado-stricken Joplin, MO and the New Jersey communities ravaged by Hurricane Sandy. The name comes from St. Bernard's Parish (we would say county) right next door to New Orleans. St. Bernard's Parish is the only county in the US that had 100% of its habitations declared uninhabitable after a natural disaster. To date, over 600 families have been able to return to their communities in NOLA, Joplin and NJ through the efforts of over 40,000 volunteers. But my passion is NOLA. At the current rate of revitalization, it will take another 14 years to return to pre-Katrina levels. While I see progress each time I go, the amount of destruction remaining is mind-boggling. Because of the high water table, houses are built on slabs. It is not uncommon to see block after block of empty slabs in what were once thriving neighborhoods. The mission is to bring back families – one house at a time and bring the neighborhoods back to life. You never know what tasks you will be assigned. This year we worked on mold remediation; insulation removal; roof tie-downs; tile, pipe and wiring removal and trash haul-away. But you do know that your efforts will make it possible for a family to return and make that reality happen just a little sooner.*

*Why do I keep going back and why NOLA? It was brought home to me two years ago. We had the chance to participate in a homecoming, during which a returning family received their home and a celebration was planned with the family providing cake and special New Orleans treats for the volunteers present at that time. The single mother had two children, one an eight-year old boy. The family had been out of their home six years. During that six years, they had moved fifteen times. This young man had never known a stable environment – all he knew was change and turmoil, and there were issues. But with a strong family and stable environment back home, within a month he was named Most Improved Student at his neighborhood school. If volunteers had not made the effort to rebuild NOLA, this young man could have been the wrong kind of statistic. Now he has a chance. That's more than enough for me!*

What about you? Have you considered going on a mission trip, but were not sure what you could contribute? GPC supports many opportunities that require little prior experience, other than willing hands and a open heart. This year's Major Mission Trips include Yucatan, Mexico; Honduras Medical and Dental; South Dakota Lakota Sioux; HS Youth Workcamp; and South Carolina Habitat for Humanity. Additionally, we will be adding an opportunity in New Orleans for 2015!

Now is the time to start planning for next year. Need financial help? Assistance is available. We have a place and an adventure for YOU!

For more information about how you can get involved, or to support our missions in prayer, please see the Missions bulletin Board in Fellowship Hall, contact the church office at (717) 334-1235, or call Tom Kolmer at (717) 634-0258 to get connected.
