Lent is Here

GPC marked the beginning of the season of Lent with an Ash Wednesday service last week. Many of those who attended left with the mark of ashes on their foreheads or hands, reminding us of our mortality and the need for change and repentance in our lives. It is a season for self-examination and reflection on how we can deepen our relationship with Jesus Christ and better live as his devoted followers.

Many people engage in the ritual of "giving something up for Lent," usually something like meat or chocolate! You could also give up social media for a period of time each week, or limit your TV or other screen time.

Others have found it helpful to their spiritual lives to add something for Lent! A daily time of quiet prayer and Scripture reading. Regular attendance at worship. Time to serve others. A spiritual exercise of naming things for which you are grateful each day. Spending time in nature.

Remember that the aim of giving up or adding is to help us reflect on our lives as disciples of Jesus. What will you give up or add for Lent this year?

Women's Retreat on Saturday, April 13, 2019 9:00 - 3:00 at "The Lodges".

Come and hear Rev. Cheryl Galan, our new Interim Executive Presbyterian, speak on the women in Moses' life. Reservation forms will be available in Fellowship Hall.

In the story of the birth of Moses (*Exodus 1:8-2:10*) a vulnerable child gets to live because of the actions of a constellation of women through whom God acts in surprising ways.

Each of these women, by using her gifts and following her passion, plays a part in preserving the life of the child who will grow up to lead his people out of the oppression of slavery in Egypt.

Our retreat time will use words and images, conversation, creative expression, and worship, to explore intersections between the stories of these women and our lives, as women of faith, today. Cost is \$40, which includes the program, crafts, breakfast & lunch.

This book is a delightful read and shares very real gifts to both grandchild and grandparent.

Adult Elective Sunday School Class — HOW WE GOT THE BIBLE:

The Formation, Transmission, and Translation of the Christian Bible

While some people assume that the Bible we use today merely fell out of heaven in its present form, nothing could be further from the truth. In fact, the Christian Bible stands at the end of a long process of **selection, transmission, and translation**. But what books were excluded, and why were others included in the canon of the Bible? How were these writings passed down through the centuries? And why are there so many different translations of the Bible into English? These and other questions will be addressed in this five-part series, led by the Rev. Dr. Charles D. Myers, as we will look at exactly how we came to have the Bible that we know and love.

Sunday, March 17, 2019 **“THE TRANSMISSION AND TRANSLATION OF THE HEBREW BIBLE IN HISTORY”** will look at the process of preserving the Hebrew text and rendering it into other languages.

Sunday, March 24, 2019 **“THE FORMATION OF THE NEW TESTAMENT”** will consider the composition, selection, and ordering of the books contained in the New Testament.

Sunday, March 31, 2019 **“THE TRANSMISSION OF THE CHRISTIAN BIBLE”** will look at the languages, writing materials, forms, and methods of transmission used in the writing and the preservation of the text of the Bible.

Sunday, April 7, 2019 **“THE TRANSLATION OF THE BIBLE INTO ENGLISH”** will consider the history of the translation of the Bible into English and explore the specific challenges that Bible translation poses.

Sunday, April 14, 2019 **“THE MAKING OF THE NEW REVISED STANDARD VERSION BIBLE,”** based on Dr. Myers' ten-year experience of working with the NRSV Bible Committee, will consider how this influential 1989 publication came into being.

We hope that you will join us for these six Sundays in Lent for what promises to be a fascinating and enlightening study. Bring your Bibles and your questions. See you there. Classes will be at 9:30 and 11:00 a.m. in the MacAskill Room.

Planned Giving

We have scheduled a brief meeting about GPC’s planned giving program on Sunday, March 31st after the 9:30 am service. The purpose of the meeting is to provide information about GPC’s program and opportunities available. This meeting is similar to the one that we held last May consisting of a 30-minute presentation by members of the team with time for questions.

It is intended for anyone from the congregation who would like more information. Despite a lack of formal program in the past, GPC has been blessed by gifts and bequests; some have been relatively modest while others were very large. The program’s objective is to provide information and stimulate interest for future estate planning and will preparation. The meeting on March 31st is intended for all ages not just for those in or nearing retirement.

Additional information about the meeting will be provided during worship services along with an interest card to register for the informational meeting. You may sign up or get additional information by contacting Bill Sterrett directly at 717-677-8632 or by email at billsterrett@prodigy.net.

An Opportunity to help make a difference...

Young Life is a nationwide organization with the mission of introducing adolescents to Jesus Christ and helping them grow in their faith. It advocates building relationships between adults and teens to demonstrate the compassion and love of Christ. Our local group began nearly 20 years ago in the Gettysburg Middle School under the leadership of GAMS teacher, Dan Zychal, and has expanded to include Gettysburg High School and the college.

As the interest has grown, young life plans to expand in Adams County, beginning programs in other local schools. They have found a young couple to lead this mission, yet need to find financial support from members of our community in order to make this happen.

If supporting Young Life in Adams County is of interest to you, or if you would like to learn more, please email Deb Litten at sanddlitten@gmail.com, or call her cell at (717) 253-5239. Deb has volunteered with the group at Gettysburg Middle School for 4 years. Matt Craig, the Associate Regional Director, is willing to sit down and talk with anyone who may have a heart for supporting the spreading of God’s word to our local teens in this way.

To the Congregation:

The GPC Choir needs your help! We know there are good voices out in the congregation and we are hoping that you might prayerfully consider joining one of our choirs for Lent and see how you like it. We have two adult choirs. The only requirement to join is that you enjoy singing and good fellowship. Reading music is not necessary.

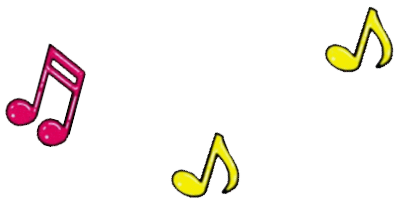

Our Early Choir meets on Sunday mornings at 7:40 a.m., learns the anthem, and sings it for the 8:15 a.m. service. These are generally easier anthems so we can learn them quickly. No extra rehearsals are required.

Our 11:00 Adult Choir meets on Wednesday nights, from 7:00 to 8:30 p.m. for rehearsal, and sings Sunday mornings at the 11:00 service. With this choir, the anthems are a little more challenging but singable, requiring rehearsals in advance. This choir also performs special works for Lent/Holy Week, and during Advent, alternately. We currently have plans to perform a beautiful work on Maundy Thursday (*Gabriel Faure's, Requiem*), as well as a lot of wonderful Lenten anthems along the way. We have just begun rehearsing this work and welcome, with open arms, more voices to enhance our choir.

We have lost some voices along the way due to members moving away and otherwise, and we are getting thin in all our sections (Soprano, Alto, Tenor, Bass). The more singers we have, the easier it is to be able to honor each other's schedules when someone has to be away, and still have enough voices in each section to convey God's message through music.

Please consider joining one of our choirs for this Lenten season and hopefully beyond. Contact me if you have any further questions.

Yours in Christ,
David E. Conklin
