

# ADAMS COUNTY LOCAL FOODS GUIDE

## Food Pantries and Soup Kitchens

*Pantries are listed by location first. Please identify which pantry is located closest to you, as eligibility is typically based on your zip code and/or school district. Most pantries serve multiple areas though or will help you find the pantry that can serve you. Call the contact number first before going to see if an appointment is necessary or any kind of screening for eligibility.*

*\*\*This information is being updated regularly to reflect changes in operations due to COVID-19, however it is always a good idea to visit the websites for each pantry, in green, to verify.*
