

COVID-19 Affecting Youth Programs 2021-2022

The plan for all youth groups – Youth club, Middle School, and High School – should positive tests arise in the Area School Districts:

- **Middle School & High School**

In the event one of our meeting nights falls over a weekend when one of our schools has gone to remote learning due to positive test cases, Middle School and High School will:

1. Still plan to meet in person.
 2. HOWEVER, we will require mask regardless of church's mask protocol at the time.
 3. If we need to go online, then those details will be emailed & shared on youth group Facebook page.
-

- **Youth Club** will cancel until our next scheduled gathering.

This means that if any of our schools from which our youth ministry pools go remote then:

- Middle School and High School will plan to meet in person and require masks be worn.
- Youth Club will cancel until the following Sunday.

Best practice is to bring a mask with you each week in case we will need to wear them. (We will have complimentary masks available.)
